CHILDREN’S BOOK ‘ZACK HAD OUR BACK’ DELIVERS VALUABLE INSIGHTS ON SACRIFICE OF WAR

*PLIGHT OF MISUNDERSTOOD VETERAN RENDERED THROUGH RHYME,
ILLUSTRATIONS, IRRESISTIBLE HERO*

RESTON, VA, OCTOBER 8, 2018— *Zack had our Back*, by Valerie King, is a twenty--eight page fiction children’s book for ages 3-8 about a frightening, homeless veteran named Zack whose appearance on the street unsettles a young girl who takes notice of him. The story unfolds in short rhyming verse accompanied by colorful illustrations to accommodate young attention spans while revealing the veteran’s service to country, the reason behind his life on the streets, and a surprise about his character. This delightful story occupies an unusual niche in children’s literature for its delicate handling of difficult subject matter and its resonance with both young and old. *Zack had our Back* is published and distributed worldwide through Archway Publishing, an imprint of Simon & Schuster. It is available in e-book format, ISBN: 978-1-4808-6747-5(e), \$3.99; softcover, ISBN: 978-1-4808-6746-8 (sc), \$16.95; and hardcover ISBN: 978-1-4808-6767-3 (hc), \$22.95. It is currently available through the publisher, Archway Publishing, at www.Archwaypublishing.com or online booksellers.
